

Part of the AGZ Group

Gillrick Metalwork are currently looking for a recruit to join our ever-expanding team to work within our subcontract Sheet Metalwork & Fabrication organisation. This is an exciting opportunity for the successful applicant to join our well-established engineering company.

Assistant Manager

Key Responsibilities: -

- Ordering materials, booking in jobs, supporting production and the General Manager
- Operating at all times within current Quality, Environmental and Health & Safety Standards. (ISO 9001/14001/45001)
- Liaising with customers and suppliers ensuring timescales are adhered to.
- Creating CAM programmes using Radan/Amada software
- Nesting parts from 3D and 2D models
- Designing sheet-metal products with 2D Radan/Amada software

The candidate: -

- Experienced in sheet metal or similar manufacturing environment, 3 + years
- IT literate with the ability operate company ERP system and carry out complex tasks
- The ability to use Radan/Amada software would be advantageous but not essential as training will be provided
- A good team player together with leadership qualities and an ability to work with multiple colleagues and a broad range of customers

Candidates will have a proven track record within a similar engineering environment.

Standard 39-hour week. Excellent rates of pay negotiable based on skill and experience.

Please send CV with a covering letter to: -
