General Labourer/Driver

Due to on-going growth, we are currently looking to recruit a General Labourer/Driver to work within our subcontract engineering organisation. This is an exciting opportunity for the successful applicant to join our well-established engineering company.

The successful candidate must:-

- Possess a full UK driving licence.
- Have previous experience working in a welding/fabrication/mechanical environment.
- Be physically fit as manual handling will be involved.
- Operate at all times within current quality and health & safety regulations/standards. (ISO 9001 - OHSAS 18001).

You will be able to work as part of team and demonstrate good communication skills. A FLT license would be advantageous but not essential as training will be provide to the successful candidate.

This is a dayshift roll with excellent rates of pay which will be negotiable based on skills and experience. There is also opportunity to benefit from paid overtime in addition to the standard 39 hour week.

Strictly no recruitment agencies or canvassers.

Please send CV with a covering letter to:-

Mr William Rankin
