

Semi-Skilled Turner/Miller

Due to on-going investment and continuous business development we currently have a position available for a Semi-Skilled Turner/Miller to work within our long established Sub-Contract Engineering Organisation.

The successful candidate will have the following:-

- Experience of working within the Sub-Contract / Machining industry
- Be able to operate and adhere to ISO 9001 quality standards
- Demonstrate aptitude for developing new and improving existing manufacturing processes
- Experience of operating Webster Bennett Vertical Borers would be beneficial but not necessary
- A keen appetite for learning, along with an enthusiastic approach to work and life
- Be able to operate and adhere to 9001/18001 & 14001 HSEQ standards

You will possess a proven track record within a similar engineering environment. Be able to work as part of team with good communication skills, organisation and problem solving abilities.
