

Part of the AGZ Group

Due to on-going growth we are currently looking to recruit for the following positions to work within our subcontract engineering organisation. This is an exciting opportunity for the successful applicant to join our well-established engineering company.

Steelwork Draughtsperson

The successful candidate must:-

- Have extensive estimating and CAD experience.
- Be able to provide support throughout the estimating, design, fabrication and erection of projects across a range of fields including water, quarrying, paper manufacture, oil and utilities.
- Have previous management experience and a solid understanding of health & safety policy and procedures.
- Have strong organisational skills.
- Be able to work on your own initiative and as part of a team.
- Have a solid work ethic.
- Possess a full, clean UK driving licence.

You'll be expected to consistently deliver accurate, quality work with exceptional attention to detail.

Excellent salary and benefits package.

Strictly no recruitment agencies or canvassers.

Please send CV with a covering letter to:-
